Nagoda, Kalutara

## LANGUAGES

- English
- Sinhala

## TECHNICAL SKILLS

- React.js
- Java / JavaFX / Spring Boot
- Node.js / Express.js
- HTML / CSS / JavaScript
- Tailwind CSS / Bootstrap
- MySQL / MongoDB
- Git
- Python
- Selenium Java

# Lashen Martino

Software Engineering Undergraduate

## PROFILE INFO

I am an undergraduate student from the Informatics Institute of Technology in Sri Lanka, affiliated with the University of Westminster in UK. I am eager to embark on a career that exposes me to new ideas, challenges, and possibilities. I am passionate about tackling challenges quickly, adapting to new tasks and technologies, and seeking opportunities to apply my skills and contribute to innovative projects in the field of IT.

## EDUCATION

BEng.(Hons) Software Engineering 2023 - 2027(Expected)

**University of Westminster, UK**

Informatics Institute of Technology, Sri Lanka

GCE Advanced Level (Physical Science stream) 2022

**St. Sebastian's College, Moratuwa**

## PROJECTS

- **LearnHeart - School Seminar Connection System with Volunteers (2025)**  
Collaboratively developing a platform to enhance students' educational support and opportunities for the Software Development Group Project module at IIT.  
Technologies : MERN stack
- **TicketWave - Real-Time Event Ticketing System (2024)**  
A real-time event ticketing system designed with OOP principles, utilizing the Producer-Consumer Pattern to efficiently manage concurrent ticket releases and purchases while ensuring data integrity. Highlights proficiency in multi-threading, real-time systems engineering, and dynamic ticketing solutions.  
Technologies : Spring Boot, React.js, MySQL
- **Library Management System Desktop Application (2024)**  
Designed and developed a desktop application to streamline library operations, ensuring efficient management of resources and user interactions. Focused on scalability, usability, and maintainability in the system's architecture.  
Technologies : Java, JavaFX, MySQL

## TOOLS

- Visual Studio Code
- IntelliJ IDEA
- GitHub
- Figma
- JetBrains PyCharm
- Postman

## SOFT SKILLS

- Communication
- Teamwork
- Problem Solving
- Creativity
- Adaptability

## RELATED COURSES

---

- Certificate in React Programming at LinkedIn Learning in 2024.
- Certificate in Java Programming at LinkedIn Learning in 2024.
- Certificate in Node.js Programming at LinkedIn Learning in 2024.
- LambdaTest Certificate in Test Automation at LinkedIn Learning in 2024.
- Certificate in Server-side Web Programming at University of Moratuwa (Open Learning Platform) in 2023.
- Certificate in Front-End Web Development at University of Moratuwa (Open Learning Platform) in 2023.
- Certificate in Python Programming at University of Moratuwa (Open Learning Platform) in 2023.

## EXTRACURRICULAR ACTIVITIES

---

- Volunteer & O/L Mathematics Teacher at Sasnaka Sansada Foundation.
- Member at Generation ALPHA Community.
- Committee Member of the College ICT Society in 2021.
- Member of the College Science Society from 2019 to 2021.
- Played Football & Swimming in College.
